Randy Fornoff of MTS Painting & Property Services, Inc. Honored by the Painting Contractors Association for Community Involvement

2020 Humanitarian Award Recipient

St. Louis, Missouri (March 3, 2020) – Randy Fornoff of MTS Painting & Property Services, Inc. in Mesa, AZ was awarded the Humanitarian Award from the Painting Contractors Association (PCA) for his involvement in the community and volunteer projects.

Fornoff and the MTS team recently completed their “Painting it Forward” project for First Way Pregnancy Center in Phoenix, AZ. MTS donated an exterior paint job for their two-story, 8,000-square-foot building.

The center, which supports families experiencing unplanned pregnancies, was able to use their painting budget to serve their community after receiving the donation from MTS.

MTS also supplied primers, paints and painting expertise to a municipal employees group that completed a renovation for the House of Refuge, a faith-based nonprofit which provides housing and support to homeless families.

Randy, his wife Christine and their sons are also involved with their church through volunteering for community projects and leading ministry efforts.

The Humanitarian Award was presented at PCA’s annual EXPO event Feb. 19-21 in Phoenix-Glendale, Arizona.

The Painting Contractors Association (PCA) is an international trade association dedicated to the success of painting contractors through ethics, education and excellence. PCA provides best-in-class professional development training to support practitioners of the trade in reaching their greatest potential.
