6530 Angola Rd. Holland, OH 43528

#### SPEAKER BIO

S&S Painting, LLC began in 2004 by Stacey Spear, Owner and Founder. After many successful years in project management and sales for a major U.S. bank, Stacey was determined to find a way to more uniquely utilize her artistic and creative talents and leverage her business expertise while balancing the needs of her family.

Stacey has been an active member of the Painting Contractors of America, one of the oldest and most respected contractor organizations in the U.S, for over 10 years.

Despite the increased demand for their services, Stacey remains committed to providing each customer with a great, stress-free experience. Small, simple paint projects are given the same attention to detail as larger, more complex ones.

Every attendee receives a raffle ticket for a chance to win the New Purdy Painter's Storage Box
